About Legal Access Alameda

Legal Access Alameda (Legal Access) is the pro bono arm of the Alameda County Bar Association. Legal Access provides free legal services to low-income litigants in Alameda County through 30+ legal clinics we hold every month in the areas of family law, bankruptcy, guardianship, housing, and more. Legal Access is committed to bridging the justice gap for those in our community who cannot afford an attorney. We strongly believe that a person's access to justice should not be determined by their income.
